

## Chapter 1: Summer Vacation

Beckett and Harper spent four days on Shelter Island, playing with their grandpa and marmi. They went to the beach a lot and built sand castles. Sometimes Bob would visit and cat their days Roback the dog

the only way to true with the believe that there are two ways to go about doing these with ardor last night when the dog got out. We found him in the barn. Kirsten took him for a long walk after that. He barked at rabbits, but the rabbits seemed unimpressed.

## HUNGER MAKES SCHOOL HARDER.

Every school day in Illinois, thousands of students go to school hungry. The good news is funds are available for schools to provide a nutritious breakfast for all students in need. All it takes to get started is a simple request to have breakfast served. So visit our website and help create a better learning environment for hungry students at your school.
